Mark your Calendars !!!

Get **FREE HEARING SCREENINGS** and **hands-on experience with the latest in hearing assistive devices for your home.**

Gleneagle Sertoma and the Hearing Loss Association of America Colorado Springs Chapter are hosting this event for anyone who has questions about how they can enrich their lives through better hearing.

Device suppliers, audiologists, service providers, and members of Gleneagle Sertoma and the HLAA Colorado Springs Chapter are combining their energies to organize this event open to anyone in our area.

There is no charge and the personal benefits to you are huge.

We look forward to greeting you and answering your questions. Gleneagle Sertoma and Hearing Loss Association of America are both national charities who share the common goal of hearing health for citizens of all ages.

We can help you put the pieces together !!!
